

GAMATRONIC SUPPORT

just an email away

WE ARE HAPPY TO ANNOUNCE THAT GAMATRONIC HAS IMPLEMENTED A NEW HELP DESK AND TROUBLE TICKETING SYSTEM.

THIS NEW SERVICE WILL ENHANCE OUR EFFICIENCY AND IMPROVE OUR CUSTOMER SUPPORT SERVICE.

How does it work?

From now on, whenever you have a tech issue email us at:
support@gamatronic.com

This will immediately open up a trouble ticket and assign it to one of our support engineers.

In addition, by connecting to our support web site (**gamatronic.kayako.com**), you can open or view your trouble tickets, and take advantage of our knowledge base facility.

Thank you for your cooperation!
